

## **Rus Withers: Director: ASR Canada/North America/Mexico**

Rus Withers is a music fan, musician and successful business man within the music industry. As a director of Australian Sun Records (Canada/North America/Mexico) and a native Californian, Rus has opened up distribution opportunities for ASR throughout the U.S. His role with ASR compliments his other industry interests including his position as Managing Director for Global Journey USA.

Rus' passion for bringing new and interesting genres of music to North America adds a vital component to the Australian Sun operational culture.
